

Brock Andreatta

University of Cambridge, UK

Session 5A: Novel Approaches to Prevent Intraoperative Complications of Intestinal Transplantation: A: Advances in Intraoperative Management of Intestinal Transplant Patients; The Anesthesiologist Perspective; July 2, 2023; 11:00am-11:20am

Brock Andreatta is a transplant anesthesiologist at Cambridge University Hospitals in Cambridge, UK. He completed his residency at Loyola University Medical Center (Maywood, IL) in 2011 where he stayed on as a faculty member of the transplant anesthesia team until 2015. He then completed a Senior Clinical Fellowship at Cambridge University Hospitals in 2016. Dr Andreatta remained at Cambridge as a Consultant and is actively involved in the care of intestinal, liver and multivisceral transplant patients. He recently co-authored the abdominal transplantation chapter in Miller's Anesthesia, 10th Edition, where his focus was on anesthesia for intestinal and multivisceral transplantation.
