

Carrie Barbro

Elevance Health, USA

Session 10: Organ Allocation and Payment: B: Small Bowel and Multivisceral Transplant: The Payor Perspective; July 3, 2023; 2:45pm-3:00pm

Carrie Barbro has worked in the healthcare industry as a registered nurse for 23 years. She is currently the director of transplant and specialty services at Elevance Health, a managed care organization. Her team provides an end to end model to members needing transplant, CAR-T, and gene replacement therapies supporting utilization management and case management functions. She lives east of Cincinnati, Ohio with her husband and children. When she is not working, she enjoys camping, hiking, crafting, cooking and watching her kids sports activities.
