

Dana Boctor

University of Alberta, Canada

Session 3C: Optimizing Outcomes in Intestinal Failure and Transplant: A: Pediatric IF Associated Eating Difficulty; July 1, 2023; 2:30pm-2:50pm

Dana Boctor is a Pediatric Gastroenterologist. After completing postgraduate studies in Nutritional Sciences and a dietetic internship at SickKids Hospital, she studied medicine at the University of Toronto. She completed her pediatric residency and fellowship in pediatric gastroenterology at the University of British Columbia and a pediatric nutrition fellowship at the Children's Hospital of Philadelphia. Currently, she is a Clinical Assistant Professor at the Cumming School of Medicine at the University of Calgary and the Medical Director of the Children's Intestinal Rehabilitation Program at Alberta Children's Hospital in Canada. Her research interests include feeding difficulties in pediatric intestinal failure and malnutrition in hospitalized pediatric patients.
