Session 2B: Re-Transplant and Other Transplant Outcomes: C: Immunologic and Desensitization Aspects of Re-Transplantation; July 1, 2023; 11:40am-12:00pm

Liver and Multivisceral Transplant Surgeon, Department of Surgery, University of Cambridge

I have been involved with the intestinal transplant program at Addenbrookes Hospital since 1997.

I have particular interests in Intestinal transplantation and the development and application of novel liver preservation techniques including NRP and NMP.
