Accreditation

In support of improving patient care, this activity has been planned and implemented by Cine-Med and the University of Illinois at Chicago/UI Health, the IRTA and the Transplantation Society. Cine-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

Cine-Med designates this live activity for a maximum of 18 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This educational activity is approved for 18 contact hours for nurses.

Pharmacists

This activity has been accredited for 1.80CEU (18 credit hours) of continuing education credit.

Dietitians

Cine-Med is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 18 continuing professional education units (CPEUs) for completion of this program.

Other Healthcare Professionals

All other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for activities designated for *AMA PRA Category 1 Credits™*, consult your professional licensing board.

Certificates: To claim your CME/CE credits, complete the online Credit and Evaluation form using the following URL: <https://cine-med.com/certificate.php?redirect=irta2023>

This is a one-time credit submission. Credits should be tracked at the completion of the meeting. Participants will be able to download or print a certificate once the form has been submitted.

Support

This activity is being supported by an educational grant from *Baxter, Cooper Surgical, Hanmi Pharmaceuticals, ICU Medical, International Pediatric Transplant Association, Medtronic, Protara Therapeutics, Inc., Takeda Pharmaceuticals, Veloxis Pharmaceuticals, and Zealand Pharma.*
